MARKET NEWS AND GRADING DIVISION MEMORANDUM LSM-GX-35, Rev. 1

To: Regional and Area Meat Grader Supervisors

From: Fred J. Beard, Market News and Grading Division, Livestock  
and Meats Branch

Subject: Filing and disposing of carbon copies of meat grade cer-  
tificates, Form FDA-460 by field offices

Due to unavoidable tardiness in the post audit of certificates it  
has been found advisable to amend Market News and Grading Memorandum  
LSM-GX-35, issued June 12, 1944 to read as follows:

"Effective at once please maintain complete files of grading  
certificate copies with accompanying fee bills, and schedules  
of collections for a period of one year from date of issue"..

This revision supersedes all previous instructions contrary herewith.
